

Andrew's Golf Benefit for Epilepsy

A Message from the Purdy Family

As we organize the Fourth Annual Andrew's Golf Benefit for Epilepsy, we are thankful to all those who have contributed and participated in the past. We remain hopeful that our collective efforts will increase awareness and education about epilepsy.

Andrew, at six years old, is a happy, outgoing little boy. We continue to monitor medication to control seizures and support him as he grows.

We hope to again raise money to help facilitate the efforts of the Epilepsy Foundation of Connecticut and the work they do to help Connecticut families struggling with epilepsy. Thank you.

The Purdy Family

The Epilepsy Foundation of Connecticut is dedicated to improving the lives of people with epilepsy and their families. We are Connecticut's only affiliate of the national Epilepsy Foundation.

Help us save money. Send us your email and add efct@sbcglobal.net to your address book.
